Maximum 12 runners in each Eliminary and in the Final are accepted. If only 12 start declarations are received, there will be only one race.

The number of eliminatories shall be decided according to the number of definitive Start Declarations received.

ELIMINATORIES:

The number of starting horses will be determined by the formula of eliminatory races of each racetrack, under the following conditions :

12 runners	One eliminatory		
13 to 24 runners	Two eliminatorys	37 to 48 runners	Four eliminatorys
25 to 36 runners	Three eliminatorys	49 to 60 runners	Five eliminatorys, etc.

The number of places in the Final shall be distributed in proportion to the number of horses started in the eliminatory races on both Racetracks.

Should the number of horses to be qualified for the final in the different eliminatory races not be the same in each race, both Racecourses shall first qualify the same number of horses per eliminatory race. The remaining post positions in the Final are assigned on each racetrack to the horse coming next in the classification, having the best time. If there is a dead heat among two or more horses, the decision is taken by drawing lots.

If a horse qualified to the Finale is not declared starter, it can, before the drawings of post positions in that finale, be replaced by the next competitor in the ranking of the relevant eliminatory.

The distribution of the horses in the different eliminatory races containing the same number of horses at one unit, is done according to the rules can be consulted at the U.E.T. office.

Should a horse be disqualified in an eliminatory race as a result of a positive doping test, it will be automatically disqualified in the Final.

POST POSITION:

Eight (8) horses will start in the first row in each race.

In the eliminatory races the post positions will be drawn by lots.

Horse number one of each country starts in the first line.

In The Final the post positions shall first be drawn among the winners of the eliminatory races, then among the seconds, the thirds, etc.

The drivers are authorised to choose their post position in this order.

Finland will support the transport fees by truck from Vincennes Hippodrome de Paris and from Solvalla to Vermo racetrack for horses qualified on the basis of 0.5 EURO per km and horse.
